

PRESS RELEASE

The St. Lucia Animal Protection Society (SLAPS) receives support from various sources.

This week the UK-based National Canine Defense League (NCDL) has contributed to SLAPS' efforts to raise awareness by donating a supply of brochures and fact sheets on topics relating to dogs and their care.

These can be obtained free of charge from several of the island's veterinary offices, or from SLAPS.

Topics include: Fleas, worms, How to be a good dog owner, Care of a geriatric dog, Why you should spay or neuter your dog, basic training, and travelling with your dog.

Please call 457-7527 for further information.
