

# PRESS RELEASE

St. Lucia's Animals on the Net!

**S.L.A.P.S.** has a completely re-vamped web site and its own domain name, thanks to Yadra Limited ([www.yadralimited.com](http://www.yadralimited.com)).

"It's been great working with Alison and Lesley at Yadra Limited", said Jane Tipson, current president of SLAPS. "Quite apart from their generosity in donating not only their time and expertise, but even securing and paying for the domain name as well, they are concerned by the impact of stray animals on people's health and livelihoods, and saw this as a constructive way to help".

The new site which can be found at [www.stluciaanimals.org](http://www.stluciaanimals.org) includes photos of animals for adoption, and a membership form for people wishing to join the Society. It also contains information on SLAPS' ongoing spay and neuter initiative in collaboration with local and overseas vets.

For more information about the SLAPS website or Yadra Limited, please visit the site or call Alison or Lesley at 458-0131.
